LIST OF TRIPS

Bike the Wineries Tour (Self-guided)

If you fancy a solo adventure through this beautiful region then the self guided tour is for you. We will escort you out to Gibbston valley, provide you with all the gear and a handy map detailing all the goods. After a safety briefing, you are good to go. Pedal at your own pace, choose your own route and spend time exploring what each venue has to offer. We will be on hand to pick you up from whichever winery becomes your last stop and we will also happily collect any bottles you may have purchased along the way. We can provide you with recommendations but essentially the day and area is yours to enjoy.

Bike the Wineries Tour (Guided)

Our local guide is ready to take you on a personalised cycle tour around the Gibbston valley. As you navigate the boutique wineries and cycle trails around Gibbston we will include three cellar door visits and a stop off at one of our favourite scenic spots for a picnic lunch. You will have the opportunity to taste some of the region's best wine while our guide educates you about the area and the wine making process. We will also be on hand to answer any questions you have about anything wine or Queenstown related. But let's not stop there, our guided tours are small, so you get a real personable, authentic ride, getting to know your guide and share in their passion for our beautifully produced wine.

Mountain Bike Shuttle

Queenstown is a mountain biking Mecca with bike trails and bike parks catering for all levels and abilities. Our most popular options would be shuttle laps of the Coronet Peak trails (Rude Rock, Zoot Track, Skippers Pack Track, Coronet XC and Corotown), a day at Cardrona Bike Park or some cross country riding at sticky forest, Dean's Bank or 7 mile

Fork and Pedal Tours offers an exclusive hire bike shuttle to local bike trails and sporting events. Our van & trailer can comfortably seat 9 riders and bikes with additional space for luggage.
